ASSENTED-TO MOTION TO CONTINUE TRIAL DATE

Now comes defendant and cross-plaintiff Gannett Fleming Engineers and Architects, PC ("Gannett" or "GF"), through its counsel of record, and hereby requests a continuation of the current trial date of 4/18/06, recently set by this Honorable Court. The reason for this request is that trial counsel for Gannett, Paul Michienzie, Esq., has a scheduling conflict with this trial date. Mr. Michienzie scheduled a European trip many months ago, long before this trial date was assigned by the Court, and his tickets and reservations have been made and paid for. The initial Scheduling Order submitted jointly by the parties stated that "the case should be ready for trial by April 2006," but did not state any specific date for trial.

Other counsel in this case -- plaintiff's counsel Richard Russell, and counsel for the Town of Falmouth Daniel Skrip -- have assented to Gannett's request to continue the trial date. Gannett has cleared the following weeks with its witness(es) and with the other (undersigned) counsel herein: the weeks of June 19, July 17, and July 24, 2006. Plaintiff

and defendants have made jury demands, so Gannett respectfully requests a date when a jury trial would be available.
